

Members walking home alone after a session

Members aged 11years and under

In line with British Gymnastics guidance any member of the Club aged 11years and under will not be allowed to leave at the end of a session unless a parent/carer has come to collect them. Gymnasts MUST be collected from the hall door at the end of the session. They will not be allowed to walk to the pedestrian gate, or to their parents/carers car parked in the car park. Any gymnast who is late to be collected after a session will remain with the responsible coach until a parent/carer has arrived at the facility.

If a gymnast has not been collected after 10minutes every effort will be made to contact the child's parent/carer to arrange for the child to be collected.

Members aged over 11years

Any member of the Club aged over 11years will be able to leave the gym alone after a session providing either their parent/carer has given consent on the gymnasts membership form.

If the Club has not been given consent on the registration form the gymnast will not be allowed to leave the facility by themselves, and the responsible coach will make contact with their parent/carer to arrange for the child to be collected and written consent for future sessions to be given.
